Subject: Lesser Hall Hire- Women in Farming

Hello,

A new branch for the Women in Farming Organisation has just started in Tammin. We held our first meeting at the Lesser Hall today. As we have set up a new branch and wanted to use the Lesser Hall to hold meetings, would the shire consider reducing the rent for the new branch for repeat use for the next 12 months? At the moment we are looking to have meetings once a month.

The Women in Farming Organisation is a not for profit organisation created for women within the industry. We hold meetings to share our knowledge and to support each other. Some topics we touch base on include marketing, succession planning and inviting guest speakers for other topics such as agronomy.

I hope to hear from you soon.

Cheers,
Zoe
