To the Tammin Shire Council

Re: Feed It Forward Tammin

Feed it Forward is a community-led, grass roots initiative, a 100% volunteer organisation. Our volunteers who dedicate their time and resources to collect and distribute rescued food from large businesses such as Coles and Woolworths to families and communities in need, are the heart and soul of our organisation.

We have been providing this service to the Tammin community from our home at 23 Shields Street, Tammin for a number of years. The service is available to all community members on Mondays from 4 – 5pm and on Fridays from 4 – 5.30pm and all items are available to community members at no charge.

Obviously running from our home is not ideal, particularly in adverse weather conditions and we would like to request the Shire's support by way of the use of the Lesser Hall as a distribution point. If this could be provided at no cost it would assist us to provide this service to those in the community in need.

We thank you for considering our request and look forward to working with you to continue to provide this important service to the Tammin community.

Kind Regards,

Ken and Pamela Bartlett
