# COMEDY GOLD 2018 W.A TOUR

Comedy Gold is back and delivers another knockout experience of the finest stand-up comedians Australia has to offer. Some of Australia's most sought after comedians are coming together for one night only to deliver a hilarious 1.5 hour show jam packed and full of laughs. The content as always, is edgy but doesn't cross the line; it's that type of show.

This year's Gala is as strong as ever with the following comedians doing the tour.

## Josh Warrior:

Indigenous comedian JOSH Warrior is an Aboriginal Gigolo. What does that mean exactly? He's a ladies man — with a twist. He tells his audience a bit about what it's like growing up and living black and his take is honest and very entertaining. He educates his audience while breaking apart some stereotypes yet cheerfully reinforces others.

His comedy is fresh and interesting among what seems to be an ocean of sameness, but most importantly makes the audience laugh.

## Rory Lowe:

Next up is Rory Lowe, he was born. He died. He rose again... Wait wrong guy. That's Jesus, this is supposed to be about Rory Lowe, Mr. Christ was a good guy and all, but his jokes weren't always great. He was way too serious. Rory on the other hand, according to The Advertiser (2015), is "genuinely funny."

## Lindsay Webb:

Lindsay is truly an International act worthy of the title.

He is a regular sell out act at all the major Comedy Festivals around Australia and is one of the most sought after headline acts and M.C's at all the leading Comedy Clubs going around.

Webb is a Guinness World Record, October back in 2009 for the Longest Show by an Individual 38hrs 6min.

"Webb is an animated & clever storyteller. You can't help but have a good time" \*\*\*\*  
Herald Sun 2014

"Webb should be a household name. His effortless comedy is not to be missed"  
YAWP 2014

## Bob Franklin:

Bob Franklin is one of Australia's favourite comedians, he is universally loved by his audiences and fellow peers. As well as his amazing Stand Up Career he has also done a lot of T.V work and was a regular on "Thank God Your Year", The Librarians, Full Frontal and the Shaun Micallef Program. His work has been described as "*..genuinely subversive, dank and nasty.*" The Age, Melbourne.

"*..hilarious or a load of rubbish - your choice.*" The Herald Sun, Melbourne.

# Welcome Fabian

I have been in Australia for the last 20 years and am now a proud Australian citizen!

I come from Belgium and speak French (if asked nicely), love veggie gardening and planting trees

I currently live in Toodyay with my wife and children however I am looking forward to moving closer to work in the next couple of years.

I have a background in surveying and I have worked on many projects in the metro area, including the Kwinana Motorplex, various subdivisions and earthworks projects. I then moved onto a Project Manager role for few years where I was based a lot in the South West of Western Australia.

My last project was the upgrade of the intersection of Altone Road and Reid Highway as part of the Tonkin Highway upgrade. My role was to oversee the work as Project Engineer and ensure the quality management system was kept up to date.

I am now very grateful to be working for the Shire of Cunderdin and Tammin in a shared resourced arrangement and I am looking forward to the work program in the coming months.
