New Cancer Symptom Website for Regional People

On Sunday 24 March, Cancer Council WA launched the new *Find Cancer Early* website. The site aims to improve regional cancer survival outcomes as research shows regional Western Australians are 20 – 30 per cent more likely to die within five years of a cancer diagnosis than people living in Perth.

The new website has been designed to improve regional Western Australian's understanding of the early symptoms of prostate, breast, skin, bowel and lung cancer and encourage them to report any unusual changes in their body to their doctor, clinic nurse or Aboriginal health worker early.

Learn more about early cancer symptoms here: <https://www.findcancerearly.com.au/cancer-symptoms/>

Harnessing the Power of Personal Stories

The stories and advice of regional champions who have experienced a prostate, breast, skin, bowel or lung cancer diagnosis has been gathered to help motivate regional people to *Find Cancer Early*.

TAMMIN FUSE FESTIVAL

On 6th April 2019 from 11am to 4pm the Shire of Tammin supported by Lotterywest held the FUSE Festival.

The atmosphere was kept high with tunes provided by DJ Kenny while families were able to browse through the variety of market stalls on display. Children large and small enjoyed games of Laser Tag provided by Combat Adventures and Pony Rides were supplied by the Kellerberrin Riding and Pony Club.

Connie the Clown wowed the children with her magic before adding colour to the festival by painting the many tiny faces that came to enjoy a day out with their families. Incredible Creatures once again drew a crowd with the fantastic variety of animals for everyone to interact with.

Children were able to try their luck with the dinosaur dipping game or the coke bottle bowling and enjoy fairy floss and a snow cone from Scutter Amusements in Kellerberrin.

Little Louie supplied by the Quairading Vintage Club was kept busy all day taking attendees on a joy ride around the Tammin Oval. When a quieter sit down was needed in the shade Giant Games of Pick up Sticks, Connect 4, Jenga and Mini Basketball were available from the Kellerberrin CRC.

The day was lovely and warm which made treating yourself with icecream from Eastern Hills Soft Serve and easy decision!! Mobile Munchies from Kununoppin were able to provide hungry festival participants with a variety of hot foods. In the pavilion kitchen the Tammin CWA ladies were busy supplying a variety of lunch and snack options. It was also a lovely place to sit and have a cuppa while watching the activity on the oval.

A big thank you to the Water Corporation for supplying boxes of free water which were able to be refilled by the water coolers at the oval.

It was so fantastic to see so many people in Tammin supporting the event and local stall holders. Thank you to all involved in making the event run smoothly and we hope that everyone that attended enjoyed themselves at this free community event.

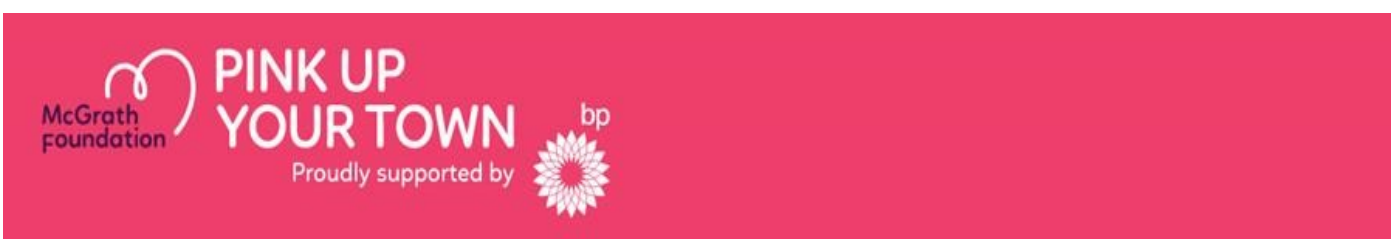

[Pink Up Your Town](#) calls for the whole community to come together during Breast Cancer Awareness Month (October). Driven by the dedication and passion of local volunteer committees; Pink Up Your Town is a way to bring together clubs, businesses, schools and neighbours to create a visual show of support for those experiencing breast cancer and raise money to fund [McGrath Breast Care Nurses](#).

Noise around this activity has started to increase, you may have even seen coverage in the news around the April Fool's Day gag that Orange (NSW) played yesterday, where they re-named the city 'Pink' to help promote Pink Up Your Town for us.

We're looking for people like you to chair a Pink Up Your Town Committee in your own backyard, to help place McGrath Breast Care Nurses wherever they're needed across Australia.

It's a great way to be a part of one of the biggest national fundraising initiatives in Australia, put your town on the map and use your local connections to make a real difference. The best thing is, everyone can be involved; whether you are an individual, group of friends, company, school or club!

I'd love to discuss your interest in this opportunity and provide more insights around the activity and how we can help. I can be reached directly via e-mail at

pinkupyourtown@mcgrathfoundation.com.au or via phone 02 8962 6117.

Busy Bees

A huge thank you to all those people who came along to help with the busy bee along Donnan Street on the 24th April 2019.

The efforts of local residents have created such a positive welcome as people travel through the town.

Glenice, a big thank you to you for your efforts in making this project happen for our town, your plant choice and design looks amazing.

We hope the people of Tammin can appreciate the difference it makes to our town.

ANZAC DAY IN TAMMIN

The town came together in full spirit for the ANZAC Day Memorial Service on April 25th 2019.

The new memorial monument is a great asset to our community and a nice way to honour our World War One Veterans.

There was roughly 150 attendees with the RSL providing a lovely lunch.

We would like to thank all involved with the lengthy planning process.

A special thank you to David Rees, Dustin McCreery and Dennis Heppell.

Statistic below from 2017/2018

Wheatbelt NRM is very pleased to launch there new project partnering with the Australian Government's Regional Land Partnership.

Malleefowl – Pick of the Litter aims to protect the species throughout the region. Have you seen malleefowl? Do you have mounds on your property?

Malleefowl, like many species in the Wheatbelt, used to be found across the region, but the loss of habitat and feral predators have reduced their range considerably.

The species is now listed as threatened by the Australian and WA Government which means without urgent actions it may disappear forever.

Last week we had a chat to a landholder in North Trayning, who knew of 6 malleefowl mounds on his property. The landholder found the mounds after seeing a number of Malleefowl regularly in the paddocks and along nearby roadsides, however, he hasn't seen any Malleefowl on the property for about a year, which is worrying him.

We will be working with landholders like this to protect these birds in patches of native vegetation across the Wheatbelt.

Likely action incudes fencing to protect habitat from stock, feral animal control and revegetation to improve connections between patches.

Please contact Anika Dent adent@wheatbeltnrm.org.au or 96703104 for further information.

Works & Services - April 2019

Works and Services are currently attending road maintenance and repairs. The priority is given to the school bus route and repairs on roads before the upcoming seeding season.

Capital works are ongoing on McLaren Street and Ralston Rd. Preparations for the works on Tammin-Wyalkatchem Road are under way. These works are made possible with the collaboration of the Shire of Cunderdin.

Gravel re-sheeting on Leslie Road is near completion.

The oval is looking good, green and ready for the sporting season ahead.

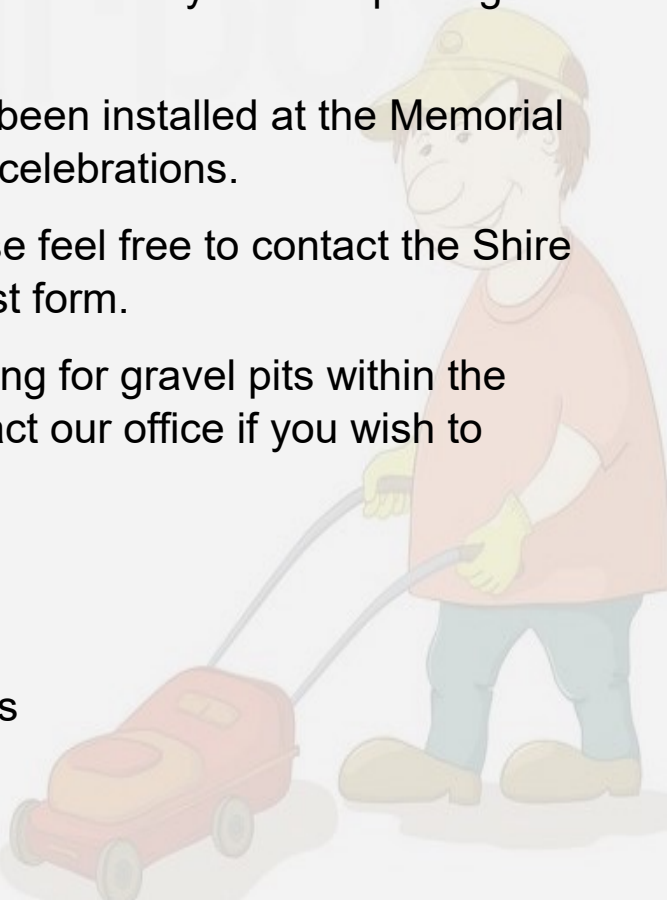

The new memorial plaque has been installed at the Memorial Park ready for the ANZAC day celebrations.

If you have any requests, please feel free to contact the Shire office for a maintenance request form.

Works Department is also looking for gravel pits within the Shire Boundaries, please contact our office if you wish to discuss the matter.

Manager of Works and Services

CRIMINAL ACTIVITIES

Community members, it is easy to become complacent when it comes to locking our houses, cars & sheds.

There has been a large amount of criminal activities of late and we urge all residents to secure any valuable items to ensure your not the next target.

Unfortunately many different locations have been targeted from farms to government owned property, this is a shame for our community.

If any one has any information or witnesses any suspicious behaviour please call and report this on 000.
