NOMINATIONS ARE OPEN!!

Are you a passionate person with great ideas for your community? If you are, you should stand for election and become a Shire of Tammin Councillor.

Nominations for Council are open for an 8 day period between 2nd September 2021 and 9th September 2021.

Nomination forms can be completed online, www.elections.wa.gov.au and click on the "Nominate as a local government candidate" section, alternatively paper copies are available at the Shire of Tammin Administration Office.

The Shire of Tammin Council will have 3 positions vacant as not all current sitting members are intending to re-nominate for council. These positions are required to be filled in order to have the required quorum of four members to operate. The failure to meet the quorum requirements will have adverse impacts on the future of the Shire.

Anyone intending to nominate for election must first complete a free online induction course, provided by the Department of Local Government, Sport and Cultural Industries (DLGSC).

For information on nominating to be a Council member visit www.dlgsc.wa.gov.au/local-government/local-governments/council-elections/nominating-to-be-a-council-member or please contact our CEO Gary Martin with any questions on the requirements of being a council member.

Important information about your water supply

Low water pressure – Tammin town

8pm Wednesday 8 September – 8pm Thursday 9 September 2021

Water Corporation is upgrading a 1.4km length of the Goldfields Pipeline that supplies water to customers between Perth and Kalgoorlie. The section, located between Tammin and Kellerberrin, is aged and needs replacing to ensure reliability of water supply to nearby customers.

To allow connection of a new piece of pipe to replace the aged section, we will need to temporarily disconnect the town of Tammin from the Goldfields Pipeline. Tammin town properties will be supplied potable water via a portable tank, which will be at lower pressure, during this time, before we restore the main supply and reconnect the town.

When: 8pm Wednesday 8 September – 8pm Thursday 9 September 2021

During this time, toilets and other water using appliances may take longer to fill, or you may notice water from your taps being of lower pressure than usual.

Water Corporation appreciates this essential work will cause some inconvenience to some customers in Tammin and we thank you in advance for your cooperation.

Discoloured Water

This work may result in the water having a discoloured appearance. If this occurs, the water is still safe to drink however:

- Run the outside garden tap at the front of your property for a few minutes, until the water clears.
- Repeat the step above for an outside tap at rear of your property.
- Call us on 13 13 75 if the water does not clear.
- Do not use washing machines, dishwashers or other water-using appliances until the water is clear.

Special Circumstances

Contact our 24 Hour Faults, Emergencies and Security Line on 13 13 75 if you:

- have special circumstances we need to be aware of before this essential work starts
- are experiencing issues with your water supply service.

If your property is tenanted, please pass this notification on to the occupier.
