CHIEF EXECUTIVE OFFICER

18 December 2020

The Shire crew are now working on maintenance works throughout the Shire , maintenance grading and repairs are underway. Contractors have been engaged to help with the maintenance grading on Yorkrakine West Rd, Wyola North and South Rd, Parrowilla Rd, Franklin Rd, RPF Rd, Quatermaine Rd, Quinn Rodgers Rd & Kitto Rogers Rd. Some repairs have been executed hence the slower progress. By the end of the month the crew will move to the North West quadrant of the Shire. A collapsing Culvert has been replaced on the York Tammin Rd and the road is now safe to use.

Following our wet winter, the front dam is full and the secondary dam is at 50% capacity, this will help with the watering of the oval during the summer months.

An application to clear vegetation at the intersection of Ralston Rd and Gardner Reserve Rd is underway; this will clear the line of sight for oncoming traffic for the school bus and other vehicles.

The administrative process for the Tammin Southern Link is now with the Department of Planning for approval, it is anticipated that the works will start in the New Year and completion before Christmas 2022.

A portion of Bungulla North Rd between kilometre 7 and 9 will be reconstructed in early 2022 as well as the floodway section on Tammin Wyalkatchem rd between kilometre 15.3 and 15.8.

Gravel resheet will take place on Dixon Rd between kilometre 4 and 6, on Nelson Rd for the first 2 kilometres and on Rabbit Proof Fence for the whole length (5.5km), these projects will be undertaken in March April 2022.

Have a great school break
