

**Shire of Tammin**

# POSITION VACANT

## Trainee Civil Construction (12 months)

### The Opportunity

As a result of a successful application for funding from the Department of Primary Industries and Regional Development, the Shire has an opportunity for a Trainee in Civil Construction. The successful trainee will complete a nationally recognised certificate level qualification while learning valuable skills and gaining on-the-job experience.

This traineeship will allow you to develop the skills to work effectively as part of a multi-skilled team and assist with the construction of new Council, Private and Main Roads works, maintenance of existing services and structures in connection with roads and footpaths, drainage, and other functions of Council, as well as exposing you to a range of essential duties such as:

- Assist in the construction and maintenance of roads, including traffic control procedures, kerb and gutter, footpath, concrete drainage etc.
- Develop and apply skills in the operation and maintenance of a variety of commercial plant/ equipment and tools relevant to the work area.
- Assist with accurate record keeping and reporting of asset defects.
- Maintain work sites, depots, plant and equipment in a clean and safe condition.

### About You

Ideally you will have a keen interest in Civil Construction along with an enthusiasm and willingness to learn new skills. You will take pride in lifting the amenity of the Tammin area and enjoy being part of the wider Shire of Tammin team.

### What we offer

- Competitive remuneration package
- Positive workplace culture with professional development opportunities
- Flexible working arrangements
